

## *Suggestion for Prayer of Peace after Mass*

*During last week the people who come to morning Mass had a cup of coffee together, and during our coffee break one of us asked as to why we no longer pray for the conversion of Russia, as we used to do in days gone by. Nobody seemed to know the answer why. However, a suggestion was then raised whether or not it was possible to pray for peace in our very troubled world, as we used to do in the past. Nobody seemed to have any objections.*

*Together we have made up our little prayer and it is as follows:*

*Heavenly Father, in this Year of Mercy, we pray that the Open Door in each Diocese in the world will always be a welcome place to all who enter in. Let us pray, that we can extend that welcome to all our friends from the various traditions in our world.*

*We pray that peace will reign in our world, in accordance with the Lord's plan for humankind. Help us to serve the "least", the "last" and the "lost" peoples of the world.*

*We pray in Jesus' name.*

*Amen.*
